

Not only will you get rid of Library fines, the new bulbs will help you lower your energy bill each month!

Brilliant!

LED Bulbs *For Fines*

In celebration of **Earth Month in April**, Chula Vista Library branches will allow users with fines to **bring proof of purchase for energy efficient LED light bulbs to reduce fines!**

How does it Work?

- Purchase energy efficient LED bulbs from a Chula Vista retailer
- Bring receipt to a Chula Vista Library branch
- Show it to a Librarian
- An equal amount of your LED purchase (up to \$15) will be reduced from your library fines!

LED bulbs are a cost effective way to lower your energy bill — and they typically last longer than other bulbs!

Not sure what type of LED bulbs to get? Contact the City's Conservation Section at (619) 409-3893 or email conservation@chulavistaca.gov to set up a FREE Home Energy & Water Check-Up.
